SKILLS

- Languages:** , JavaScript, HTML, CSS
- Web Development:** , React JS, WordPress, Bootstrap, Tailwind

- OS:** Linux, Windows
- Tools:** Docker, Git, GitHub,
- Other Skill:** Graphics Design,
- Typist. Proficient with the use of Excel, Corel draw , Microsoft Office and Microsoft Power point.

EDUCATION

Bachelor of Science BSC (Botany)

Lagos State University

2018 - 2023

AWARDS & CERTIFICATIONS

- Jobberman Soft-Skills Certificate (2022)
- Productivity Tool and Basic Digital Skills Certificate (2024)
- Alt School Africa Certificate (2023-2024)
- Luta NDE Certification (2023)

Frontend Web Development USADF/LSETF (2024)

PROFESSIONAL SUMMARY

Experienced developer with a strong foundation in web application development. Proficient in a range of programming languages, with a focus on creating efficient and user-friendly solutions. Adept at collaborating with cross-functional teams to translate complex requirements into innovative technical solutions. Demonstrated ability to design, code, and test front-end components. Committed to continuous learning and leveraging emerging technologies to drive impactful outcomes. Effective communicator with a passion for contributing to dynamic and forward-thinking projects.

WORK EXPERIENCE

Frontend Developer

Innkeeper - *Onsite*

April. 2024 - Present

- Implemented and maintained frontend features using React.js, ensuring a consistent and polished user interface.
- Conducted code reviews and collaborated with senior developers to optimize code for performance and maintainability.
- Collaborate with cross-functional teams to define, design, and ship new features, maintaining a cohesive and user-friendly experience.

Frontend Developer

Luta NDE - *Onsite*

Aug. - Sept. 2023

- Lead the development of frontend web applications from concept to deployment, ensuring high performance and responsiveness. Implement and maintain interactive design to support frontend functionality.
- Conduct regular code reviews to ensure code quality, adherence to coding standards, and knowledge sharing within the development team. Design and deliver comprehensive programming courses covering fundamental and advanced concepts in web development.

Frontend Developer

Alt School Africa - *Virtual*

Sept. - Present

- Played a pivotal role in defining data models, schemas, and relationships that aligned with client requirements and business objectives.
- Worked closely with the front-end development team to implement client-centric solutions that catered to specific business needs.

Frontend Developer (Intern)

Present

- Collaborated closely with the Engineering team to architect and develop the backend infrastructure for a healthcare web application, employing Python programming language.
- Instrumental in designing and implementing various critical functionalities within the application's developmental phase, and seamlessly transitioned to support its ongoing production phase.
